LAKE MILLS EMERGENCY NOTIFICATION SYSTEM

The city of Lake Mills is implementing an emergency notification system – **AlertSense**
konexus

This system is designed to provide emergency alert information via text and email to Lake Mills residents and Lake Mills Light & Water utility customers.

This system will be used to alert residents and customers to emergencies such as:

- ♦ Electric power outages
- ♦ Rock Lake beach closures
- ♦ Sanitary sewer issues
- ♦ Snow removal issues
- ♦ Storm damage issues
- ♦ Street closures
- ♦ Water system issues

This system will **not** be used to:

- ♦ Provide community event information
- ♦ Solicit information
- ♦ Announce school closings
- ♦ Announce weather events
- ♦ Provide general lake conditions
- ♦ Notify of Police or Fire activities

This system is capable of providing alerts to the entire city as well as specific areas and individual addresses.
